Instructions:

The full application form for Region 2 GO Virginia funding is in this document and accompanying templates. Applicants must complete this form and required attachments and submit electronically to the Region 2 support organization. Applicants do not apply directly into the DHCD CAMS system.

For more information on funding requirements, applicants should read the application package/guide first at this link:

https://econdev.vt.edu/content/dam/econdev_vt_edu/govirginia_documentation/Region%202%20Funding%20Application%20Package%202020-2021.pdf

Applicants for Region 2 Funding should NOT complete this application form unless they have first submitted a letter of interest and contacted:

Scott Tate, Ph.D. Associate Director, Virginia Tech Office of Economic Development
702 University City Blvd., Mail Code 0373 Blacksburg, VA 24061
atate1@vt.edu

or

John Provo, Ph.D. Director, Virginia Tech Office of Economic Development
702 University City Blvd., Mail Code 0373 Blacksburg, VA 24061
jprovo@vt.edu

For questions, please contact Scott Tate via email atate1@vt.edu or by phone 540-231-2351.

If you have submitted a letter of interest and/or communicated with the Region 2 support organization staff (Scott Tate or John Provo), then you may proceed to completing this full application. Documents and all required attachments must be submitted by email to Scott Tate at atate1@vt.edu. Support organization staff will oversee a review process, including Subject matter experts and Regional Council members for every full application.

ECONOMIC IMPACT

1. Provide a detailed overview of the proposed project and project activities included in the project budget. If the full project scope goes beyond the reflected budget, please provide a breakdown of the current and later phases of project activities.

Your 6000 character or less response must be inserted below.

ATTACHMENTS: A 1-2-page Executive Summary should also be included with the application.
2. Identify the project goals, approach, and outcomes, and how the project relates to the region’s Economic Growth and Diversification plan and the goals of GO Virginia.

Your 6000 character or less response must be inserted below.
3. Describe the project timeline and the specific project milestones (including deliverables) that will be utilized to track project progress and fund disbursement. Address the project administrator’s ability to meet these milestones and to take remedial actions in the event that the milestones are not achieved.

Your 6000 character or less response must be inserted below.

ATTACHMENTS: Project Milestones including a proposed Drawdown Schedule should be uploaded with the application.
4. Provide a detailed description of the performance metrics that will be used to gauge success, both quantitative and qualitative, and how the metrics were developed. Describe the Return on Investment (ROI) methodology and calculated ROI and the timeline for achieving the expected ROI. Include an explanation and source of any data used as the basis for ROI and outcome projections.

ATTACHMENTS: Performance Measures and ROI Calculations should be uploaded with the application.

Your 6000 character or less response must be inserted below.
REGIONAL COLLABORATION

5. REGIONAL COLLABORATION. Describe the service area of the project. Identify localities participating in the project (financially or administratively) as well as those localities that are served by the project.

ATTACHMENTS: Relevant letters of commitment (including in-kind contribution forms) or support from localities or local government entities should be uploaded with the application.

Insert 6000 character or less response below.
a. What portion of the region’s population is served by the project? How was this figure calculated?

b. Does the application request a waiver of the local match requirement? ($50,000 or 20% provided by participating localities, whichever is greater).
c. Are there localities or other GO Virginia regions (including interstate collaborations) that are outside the applying region that are participating in the project? If so, describe the nature of the collaboration and the anticipated impact.
6. Identify cost efficiencies, repurposing of existing funds, leveraging of existing assets, or other evidence of collaboration that can be demonstrated as a result of the project.

Your 6000 character or less response must be inserted below.
7. Discuss existing grant requests or programs with similar goals and explain how the proposed project is not duplicative of, but additive to, other efforts to support economic diversification and the creation of higher-paying jobs. Have existing efforts been successful and sustainable?
   
a. For enhanced capacity building projects, discuss how the enhanced capacity building effort could contribute to the success of associated future grant requests and how the project could be replicated or used across multiple grant requests and/or regions.

Your 6000 character or less response must be inserted below.
8. PROJECT READINESS. Describe all partner organizations involved with the implementation of the project, including the entity’s role, financial or in-kind commitment, and capacity to successfully execute their duties as they relate to the project. These may include but are not limited to school divisions, community colleges, public and private institutions of higher education, economic and workforce development entities, local governments, regional organizations, planning district commissions, nonprofit organizations, and private-sector entities.

Your 6000 character or less response must be inserted below.
9. Discuss any major barriers to successful implementation and other associated risks along with a plan to overcome them. How will the project administrator address these barriers?

Your 6000 character or less response must be inserted below.
10. Discuss how the regional council and project developers have consulted with subject matter experts regarding the efficacy and viability of the proposal. Provide an overview of the feedback from the subject matter experts, and how their feedback validated the approach and methodology for the project.

Your 6000 character or less response must be inserted below.
11. Discuss how the regional council and project developers have consulted with local government entities regarding the strategy and implementation of the project.

Your 6000 character or less response must be inserted below.
12. Discuss prerequisite activities undertaken by the collaborating parties to increase efficiency with regard to program delivery and support for the project once launched.

Your 6000 character or less response must be inserted below.
13. Identify the total project budget and the sources and uses for matching funds and any additional leverage.
   
   a. Does the project have the required $1:1 match? If so, what are the sources/uses for these funds?
   
   b. Does the project have the required 20% (or $50,000 if request is less than $250k) local match? If so, what are the sources/uses for these funds?
   
   c. Are any additional funds or in-kind contributions serving as leverage for the project? If so, what are the sources/uses for these funds?
   
   d. ATTACHMENTS: Letters of Financial Commitment letters and In-Kind Contribution forms should be uploaded with the application.

   Your 6000 character or less response must be inserted below.
PROJECT SUSTAINABILITY

14. Discuss how the program will achieve stable, long-term sustainability beyond the initial funding period? Have any funding sources been secured to continue implementing the program or strategy following the exhaustion of these funds?

Your 6000 character or less response must be inserted below.
